Dear Paul,

Thank you for arranging Practice Insurance on behalf of my client I.R. McGarvey Opticians. Ian found the service offered by you to be absolutely first class being that you provided both a very quick response and excellent value. Above all he was very impressed by your friendly and helpful approach and your suggestions worked well and ensured the insurance cover was obtained at a very competitive price.

As a result I would have no hesitation whatsoever in recommending the services of PMIS Insurance Solutions.

Yours sincerely,
