Paul Murray

I would like to thank you for the first class way in which you rebrokered a Block Buildings Policy for me.

For a few years I have been paying £1800 a year to insure 9 B2L houses and by some sort of magic you have managed to almost halve that cost.

I know that you put the scenario to quite a few companies and the difference in premiums was huge. I am also aware that you earned very little for recommending the insurer that you did, and for that I am also very grateful.

It goes without saying that I will recommend your services again to anyone needing this sort of advice in the future.

Kind Regards
